VISION STATEMENT

To be the number one sought after company in the world of procurement, logistics, freight forwarding, shipping consultancy and supply chain management.

MISSION STATEMENT

Providing maximum value to customers at low cost, high efficiency and responsiveness.

To be a reliable cost effective freight forwarder and shipping consultant for a wide variety of raw materials, work-In-process, and finished goods. At Bentorson Nigeria we are committed to delivering excellent services through our customer-focused drive where the customer is at the center of our business. With our excellent team of personnel, we deliver prompt and effective solutions to our customers need.

COMPETITIVE STRATEGY

SUPPLY CHAIN STRATEGY

Responsiveness but also maintain an adequate level of efficiency. We deliver prompt and effective solutions to our customers need.

SLOGAN

BENTORSON means BUSINESS (Responsiveness and Efficiency)

MOTTO

The 3rd Alternative Thinking; "We See Ourselves", "We See You", "We Seek You Out", and "We Synergize With You".

Our Company Colors

GOLD: This signifies our highly esteemed and invaluable customers and the classical nature of the company.

GREEN: We promote healthy environment and support green revolution.

BLACK: Signifies the fertility and viability of the company.

It's a COMPASS - at Bentorson Nigeria we have got DIRECTION and VISION! The compass indicates a vector quantity, which invariably means we possess both magnitude and direction, and the circle-like shape of the logo connotes progress, excellence and success. The inscription BENTORSON means business. We are capable of delivery on our words irrespective of any part of the world the shipments is emanating from

The Significance Of The Logo

OUR SERVICES

IMPORT AND EXPORT SERVICES

We import varieties of goods wholly and in a groupage and can stand in for small business owners, who intend to import into Nigeria but do not have the capacity of closing a 20 or 40 feet container as the case may be. We can load your goods alongside ours with ease and make the appropriate delivery to your desired location. import and export as easy as ABC.

We also export varieties of commodities (raw materials, work-in-process and finished goods) and assist in facilitating Nigeria Custom Service, CITES processing from Nigeria to any desired location in the world. With our state of the art shipping equipment and we provide solutions to the importation and exportation needs of our customers at the lowest cost.

Our well trained and efficient staff ensures the completion of necessary paper works, make contact with suppliers around the world for importers and also get the customers exports to the target destination without hitches. We simply make

FREIGHT FORWARDING

As an efficient and responsive procurement, logistics and supply chain company, we provide first class freight and shipping services that include air freight, sea freight and road freight. We are dedicated to delicately handling your merchandise. Bentorson ensures a speedy process like “Ben Johnson” with our efficient and cost-effective transfer of customer's goods kept in good condition throughout their travels.

Our knowledge and skills over the years in freight forwarding and shipping places us in that position to effectively coordinate the shipment and movement of goods from one place to another via our ever reliable channels (air, sea, road and rail) and cordial relationship established between Bentorson Nigeria and Customs of various countries worldwide.

TRANSPORTATION

Our transport department delivers on time beating tight deadlines and keeping our customers happy at all times. We don't just transport, we haul containers from and on ships, negotiate tariffs and clear goods with custom authorities on behalf of our clients, package products/goods for transportation according to customs regulations and employ the use of advanced technology in monitoring all shipments and transportation which also provides a platform for our customers to effectively track and know the exact location of their goods at every point in time during transportation or shipment. We transport containers to any part of Nigeria at the barest time interval.

LOGISTICS

At Bentorson Nigeria, we promise to deliver on the true meaning of LOGISTICS, which is the process of strategically managing the efficient flow and storage of raw materials, in-process inventory, and finished goods from point of origin to point of consumption. Our Logistics department delivers on time beating tight deadlines and keeping our customers happy and satisfied at all times.

COURIER CLEARING

Our clients' consignments both airways and waterways are secured with us. We clear goods with custom authorities on behalf of our clients according to customs regulations. Our world class, licensed and insured riders treat every package as delicate and with utmost care. The delivery duration of Bentorson Nigeria within the city of Port Harcourt is 48 hours.

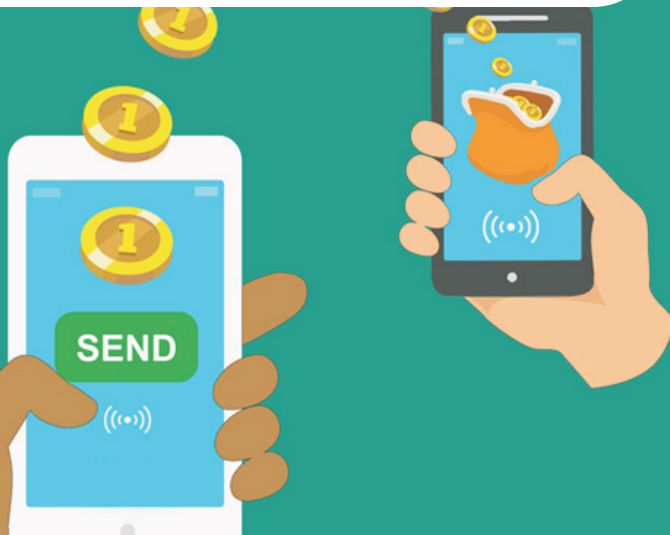

WAREHOUSING

At Bentorson Nigeria, we have the state of the art warehousing in Port Harcourt, Rivers State, Nigeria (for our clients importing through Onne Sea Port) and other parts of Nigeria fitted with facilities for storage and handling of varieties of goods and materials; both perishable and non-perishable commodities. Be you a manufacturer, importer, exporter, wholesaler or business person, we have the right cost-effective storage facility to meet that your storage needs. Our warehouses are built with fire resistant materials, fitted with cold rooms, anti-moisture and anti-rodents facilities and are spacious enough to provide storage solutions to our customers. Visit our warehouse and you'll be convinced.

BUREAU DE CHANGE (BDC & MONEY TRANSFER)

OIL WELLS EQUIPMENT PROCUREMENT AND SUPPLY.

At Bentorson Nigeria, we provide a reliable, excellent, efficient and responsive currency exchange services at the most competitive rates to our clients. We enjoy a reasonable level of patronage from Central Bank of Nigeria (CBN) licensed BDCs company. We never run dry of foreign currencies.

Our Money Transfer system is unbeatable; as you can make payments in Nigeria and receive an equivalent sum overseas in your preferred currency. Payments can be made overseas in our favour and the equivalent can be paid directly into our clients' Nigerian bank account. Our money transfer service is very reliable, highly effective, efficient and responsive.

We supply oil well equipment and tools to the energy industry. We import equipment if need be, and assist in the clearing and forwarding of the equipment to the required company(s) at the required specification. We provide room for the use of local purchasing order (LPO) as we are DPR and NAPIMS certified. With our established contacts with countries known for manufacturing oil well equipment, getting our customers required specification is just a request away.

BENTORSON NIGERIA OPERATES WITH THE PRINCIPLE OF JUST-IN-TIME (JIT)

Just-in-Time (JIT) is the process that redefines and simplifies manufacturing by reducing inventory levels and delivery raw materials at the precise time they are needed on the production line.

BENEFITS OF PARTNERING

For Manufacturers: Reduces raw material inventories; immediate shipping of products.

For Suppliers: Daily or hourly deliveries rather than weekly.

For Customers: Lower costs, shorter lead times, products tailored to customers' needs.

At Bentorson Nigeria we recognize that the customer is at the center of our business and ensure that our most qualified personnel are available to tailor and develop comfortable service experience for our clients.
